- **On behalf of the United Nations Population Fund (UNFPA)**

This survey comes ahead of the November 2019 [Nairobi Summit](#) where the United Nations Population Fund (UNFPA) will be supporting the celebration of 25 years since the International Conference on Population and Development (ICPD) –during which 179 governments agreed that individuals have the right to decide freely whether and when to have children, and to have the information, education and means to do so. The survey is readily available in English, French and Spanish. Additional versions in Arabic and Russian will be available from 12/9/2019.

The survey takes about ten minutes to fill in, is available in low vision mode online and it will be open for answers until 4 October 2019.
