Welcome to our second bi-weekly Newsflash!

In order to condense the information of the list serve, we will send a bi-weekly Newsflash with upcoming events, news, articles, reports, and other relevant information.

This is a new effort and will improve over time.

All comments and suggestions are welcome.

News:

- Iran: Schools Shut Out Children with Disabilities

End Discrimination; Ensure Inclusive Education with Reasonable Support

- From INEE:

Since 2010, the INEE Pocket Guide to Gender has been the leading authority on how to ensure the needs of girls and boys are addressed in the design and delivery of education in the context of conflict and crisis. **Today, on International Day of the Girl Child, we are thrilled to launch the new, fully-updated [INEE Guidance Note on Gender!](#)**

We are very pleased that this INEE Guidance Note on Gender will contribute to the growing body of evidence on education in conflict and crisis, building on the INEE Pocket Guide to Gender, and sharing current best practices and experience from a range of partners. **The publication is now available in [English](#), [French](#), [Portuguese](#), and [Spanish](#), with Arabic forthcoming.**

- DETERMINANTS OF MATERNAL AND CHILD HEALTH HANDBOOK UTILIZATION IN SURABAYA, INDONESIA

Job opportunities:

- Re-Announcement: International Consultancy to conduct a regional systematization of the implementation of Care for Child Development (CCD) in four countries of Latin America and the Caribbean

<https://www.unicef.org/about/employ/?job=526629>

The objective of this consultancy is to document and systematize how Care for Child Development (CCD) has been implemented in four countries: Peru, Belize, Dominican Republic, and El Salvador. The findings will be used to support implementation efforts in additional countries of Latin America and the Caribbean.
